Democrat

*This is a nonpartisan race; candidate party affiliation isn't listed on the ballot. We've indicated candidate party affiliation for your information. Our policy is to list all Democratic candidates and all other candidates who show a clear indication of shared values.

Ballot Question Summary

Should Clearwater election procedures be changed (effective 2026) to require a run-off election if a candidate doesn't receive more than 50% of the vote, and require that elections be moved from March to August of even years, with any run-off elections held in November?
